

# Free Jai Shankar!

**Jai Shankar is a Hero! He has given his heart and soul to D.C.!**  
**He Helps evictees! He helps the homeless! He gives out free food!**  
**He helps the disabled! He has paid abundant Federal, State & Local Taxes!**  
**He has paid his dues!**

**What is his reward? DEPORTATION!**

The Immigration Customs Enforcement Agency (ICE) intends to deport Jai to a hostile environment in India. He has to wear a tracking device shackled to his ankle to monitor his every move. ICE has denied Jai working papers, even though ICE's exorbitant nonrefundable fee of \$380 for them has been paid. ICE actions threatened Jai with eviction, homelessness, hunger, and the means to assist his 10-year old son, Sanjay, a U.S. Citizen, born here.

**We say: Let Him Stay!**
